

CommBank Yello Free Kit membership Terms and Conditions

Published: 4 June 2025

Terms and Conditions and Eligibility Criteria

Customers eligible for the CommBank Yello program get free ongoing Kit membership.

The Kit membership covers both “Single child” and “Multi-child” plans. Refer to Kit pricing at heykit.com.au/pricing.

Eligible CommBank Yello customers can redeem their benefit within the Kit app. Kit will open your CommBank app so you can give permission to share your CommBank Yello status with Kit to enable you to receive free membership for the duration of your CommBank Yello eligibility. Kit will continue to check your status and waive your monthly fee depending on your CommBank Yello eligibility. Customers on a Kit yearly membership plan that consented to share their CommBank Yello tier will not be charged the yearly fee if they fall out of eligibility - they will only be charged a *monthly* fee for the months that they are not eligible. This benefit cannot be redeemed wholly or in part for cash or cash equivalents in the event you cancel your Kit membership part way through the eligible free period. To be eligible to redeem the CommBank Yello Kit offer, you must hold a valid Australian residential address.

For eligibility rules for tiers see [CommBank Yello Terms and Conditions](#).

Kit will refer CommBank customers to the CommBank app or to visit a CommBank branch for enquiries relating to the CommBank Yello benefit eligibility and CommBank Yello experience.
